Freelance Dance Practitioners required.

We are recruiting two freelance dance practitioners to work with the newly formed Company dance company.

Company is initially working with Sense, AgeUK and Life-Act to develop the company identity and choreographic sensibility through the creation of new work. We are looking for dance practitioners who are experienced in, or excited to start, working with older people and adults with learning and/or physical disabilities.

Dance style and training is completely open but we are looking for practitioners who can facilitate a style and choreographic language to emerge from the company members.

Applicants must be confident in capturing movement sequences creatively using digital tech.

Initially the hourly sessions will be once or twice a week for six months at a fee of £50 per hour. If you are interested please send your CV and a statement of interest to matt@rotherhamroar.org

Deadline for statement of interest: 17th September

Informal interviews: 21st September

Project starts: Week beginning 18th October
